Mr R Fyson
Electricorp Pty Ltd
PO Box 106
MAROUBRA NSW 2035

Dear Rhys

I want to thank Steve and yourself for Electricorp's first rate work at our city premises.

The conversion to LED lighting was expertly planned and executed with great professionalism.

Your advice allowed us to proceed with all the necessary information and a lot of confidence.

I very much appreciate the fantastic care and attention to detail and the finished product.

I am extremely happy with the result and want to thank you again for your outstanding work.

Yours sincerely
